MESSAGE

I am happy to note that AECS, Turamdih is bringing out the half yearly edition of its Newsletter - *Zenith*. Atomic Energy Central Schools, over the years, have become important centres of learning for a large number of students. Our schools mostly cater to students belonging to the employees of the Department of Atomic Energy, its constituent research institutes, other aided institutions, autonomous units, service organizations and public sector undertakings under its umbrella. However, in recent times, it is seen that a large number of non-DAE students also seek admission in schools under AEES. Many of the students who come out of our schools have achieved laurels in various spheres of activity, including sports, arts, public service and even in corporate world. For our teachers, it would be quite gratifying to know that the wards under their care achieved great success in life.

The education that we impart should be such that it helps the child appreciate the wonders of nature and enjoy the beauty of life. I am happy to note that, while placing emphasis on curricular activities, our schools are taking extra care to make sure that the literary and artistic abilities of students are also encouraged and given avenues for expression. School magazines and newsletters provide a forum for the students to express their innate abilities. I appreciate the efforts of the school administration in this regard.

I wish to take this opportunity to wish the students and teachers (who are ably supported by the non-teaching staff) a very successful and productive time ahead.

I also wish to congratulate all the persons who have worked to bring out this Newsletter.

Jai Hind!

OUR VISION

John F. Kennedy, the 35th President of the United States has remarked, "Let us think of education as the means of developing our greatest abilities, because in each of us there is a private hope and dream which, fulfilled, can be translated into benefit for everyone and greater strength for our nation." With its goals set for every session since 2006, AECS Turamdih has witnessed noteworthy achievements in the three fields of Academics, Sports and Co-curricular activities. The neat increase in the strength of the students and the staff is quite appreciable. The noble and motivational objective of AECS in providing quality education to the children coming from various social backgrounds has always guided us through. We strive to churn out the best among the students seeking their all-round development aiming to achieve ideals par excellence in the near future.

From Principal's Desk...

D. R. Mohrir
PRINCIPAL

Education is a shared commitment between dedicated teachers, motivated students and enthusiastic parents with high expectations.

Today, the role of school is not only to pursue academic excellence but also to motivate and empower its students to be self-disciplined, lifelong learners, critical thinkers, and productive members of an ever-changing global society.

At Atomic Energy Central School, Turamdih, we provide an atmosphere to our students for multifaceted development. Where children are trained to channelize their potential in the pursuit of excellence.

Dear students, the people of good character live by their values. They are honest and are committed to truthfulness, word and deed. True character thus encompasses the capacity for self-discipline.

Character creates self-respect, which in turn leads to high self-esteem. Maturity is reflected in all aspects of character-the decision we make, the friends we choose and the responsibilities we accept. Always remember to uphold the dignity of people. Be always ready to give preference to others. What you are is God's gift to you. What you become is your gift to God. Have something to live for. Bring out the best in you.

Best wishes...

- Dnyaneshwar R Mohrir

05. ACKNOWLEDGING CREATIVITY

‘Love you Maa ...’

You can only have one mother
Patient, kind and true;
No other friend in all the world,
Will be the same to you.

When other friends forsake you,
To mother you will return,
For all her loving kindness,
She asks nothing in return.

As we look upon her pictures,
Sweet memories we recall,
Of a face so full of sunshine,
And a smile for one and all.

Oh my Sweet Lord, take this
message,
To my dear mother up above;
Tell her how we miss her,
And give her all our love.

जीवन में कुछ बनने को,
ज्ञान कहाँ से लाओगे।
जब प्रश्नों का अंबार लगा,
तो उत्तर कैसे पाओगे।।

इस अंधकार में लड़ने को,
प्रकाश कहाँ से लाओगे।
असमंजस में जीवन आए,
पार कहाँ कर पाओगे।।

गुरु चरण में तुम बैठो,
तुम सब कुछ वहाँ से पाओगे।
निश्चल मन से ज्ञान मिलेगा,
आकाश में उड़ जाओगे।।

आदर तुम उनका करना,
तुम ऊँचे उठ जाओगे।
जीवन में जब ज्ञान मिलेगा,
तो सम्मान वहीं से पाओगे।।

राह कठिन है जीवन की,
पर तुम चलते जाओगे,
और लक्ष्य बना लो कैसा भी,
तुम हर दम उसको पाओगे।।

मेरी जान हिन्दुस्तान

मेरी जान हिन्दुस्तान
सबसे प्यारा हिन्दुस्तान

इस धरती ने, इस मिट्टी ने
हमको दी है अपनी पहचान
जब तक साँसों में है जान
नहीं मिटने देंगे तेरी आन

मेरी जान हिन्दुस्तान
अपनी ताकत अपनी मेहनत
से हम बनाएं अपनी किस्मत
राहों में हों जितने चट्टानें
नहीं झुकेंगे हमारे इरादे

मेरी जान हिन्दुस्तान
एक नहीं सौ हो दुश्मन
नहीं डगमगाए अपने कदम
एक एक को छलनी कर दें
बुरी नज़र जो हमपे डाले
मेरी जान हिंदुस्तान ।

माँ

आकाश सा व्यक्ति पकड़ने चली हूँ
माँ के आँचल का छोर
सोचा है बटोरा कर ममत्व के सब तानेबाने,
बाँधूगी एक कविता
माँ को उपहार।

खिंच पल्लू का वह कोना।
जिसे पकड़ मैं बड़ी हुई,
वह धुँधला सा बचपन,
जब माँ ही सच थी ---
और सीख हर उनकी
लकीर पत्थर की
या उनकी उस साड़ी से आखर जोड़ूँ
जिसे पहन मैं इठलाती थी
और इतराती मुझ पर माँ भी।

बातें सीख जो भूल सकती नहीं मैं कभी
इनअनगिन बातों का
कैसे पाऊँ कोई कोना
मुश्किल नहीं--- असंभव
अपार प्यार का
व्यक्त शब्दों में होना।

विद्यालय

ज्ञान का सागर है विद्यालय,
सूरज की तरह है यह विद्यालय,
शिक्षा है इसकी पहली किरण।

ज्ञान का समूह है विद्यालय,
शिक्षा इसकी सच्ची साथी।
ज्ञान प्राप्त करते हैं यहाँ हम,
शिक्षा यहाँ दी जाती।

श्री राम की तरह है विद्यालय,
शिक्षा इसका लक्ष्मण।
सात रंगों का है विद्यालय,
शिक्षा है इसके सातो रंग।

शिक्षा तो है अनमोल,
इसका नहीं है कोई मोल।
कहें हम इन्हें धन्यवाद,
माँगे हम बस यही दुआ,
हमें पूरे वर्ष विद्यालय से मिले शिक्षा का
आशीर्वाद।

'Let's just make it better'

Better place to leave and celebrate the peaceful memories
The world is becoming harsh day by day,
Let's just deal with others in a kind way.
Let's help others, no matter if they win or lose his life as a race.
Then this world will become a better place to celebrate.

Let's just ask others, how they are?
Let's just forget all the quarrels and war.
Let's just make kindness, honesty the base.
Then this world will become a better place to celebrate.

Let's be kind and bit childish,
Let's make this world bit better and that's my wish.
Let's smile together, will decrease the difficult times we will face.
Then this world will become a better place to celebrate.

पथिक, तुम बढ़ते रहो।
बढ़ते रहो, चलते रहो
पथिक तुम बढ़ते रहो।
गिरते रहो, उठते रहो
पथिक तूफान से घिरे रहो।।

गिरते रहो, उठते रहो
पथिक तुम बढ़ते रहो।
स्वप्न अभी अधूरा हैं
जीवन भी तो थोड़ा हैं।।

बढ़ते रहो, चलते रहो
पथिक तुम बढ़ते रहो।

चैन नहीं, आराम नहीं
जीवन की परवाह नहीं।
गिरते रहो उठते रहो
पथिक तुम बढ़ते रहो।।

रात हो या दिन हो
धूप हो या छाँह हो।
पथिक तुम बढ़ते रहो।।

प्यार, मिले या दुत्कार मिले
साथी मिले या साथी छूटे।
पथिक, तुम बढ़ते रहो।।
पर्वत हो या पत्थर हो
मरणभूमि हों या समुद्र की धार हो।
पथिक तुम बढ़ते रहो।।

मंजिल तुम्हारी आने वाली है
मेहनत के फूल खिलने वाले हैं।
पथिक तुम बढ़ते रहो।।

अंतिम समय भी हो अगर
अखरी साँस तक चलते रहो।
पथिक तुम बढ़ते रहो।।
